IV. Free Elective Credits

A Free Elective Credit for Group of Sport Literature, History and Philosophy, 15.0 credits are required

Students are required to receive at least four credits from major-related courses opened by non-PE graduate schools (master and doctoral programs).

B Free Elective Credit for Group of Sport Pedagogy, 15.0 credits are required

Students are required to receive at least four credits from major-related courses opened by non-PE graduate schools (master and doctoral programs).

C Free Elective Credit for Group of Sport and Recreation Industry Management, 15.0 credits are required

Students are required to receive at least four credits from major-related courses opened by non-PE graduate schools (master and doctoral programs).

D Free Elective Credit for Group of Sport Physiology, 15.0 credits are required

Students are required to receive at least four credits from major-related courses opened by non-PE graduate schools (master and doctoral programs).

E Free Elective Credit for Group of Sports Biomechanics, 15.0 credits are required

Students are required to receive at least four credits from major-related courses opened by non-PE graduate schools (master and doctoral programs).

F Free Elective Credit for Group of Physical Activity Psychology, 15.0 credits are required

Students are required to receive at least four credits from major-related courses opened by non-PE graduate schools (master and doctoral programs).

G Free Elective Credit for Graduate Program in English, 15.0 credits are required

Students are required to receive at least four credits from major-related courses opened by non-PE graduate schools (master and doctoral programs).
