<b>The European Student Identifier (ESI)</b>	A unique European Identifier number used to identify and authenticate students using the Erasmus+ Mobile App and/or the desktop version of the app to fill in and sign their online learning agreement. If the sending institution does not issue an ESI for its students an alternative mechanism for identifying and authenticating students can be accepted. For more information, visit the <a href="#">Erasmus Without Paper Competence Centre</a> .
<b>Study cycle</b>	Short cycle (EQF level 5) / Bachelor or equivalent first cycle (EQF level 6) / Master or equivalent second cycle (EQF level 7) / Doctorate or equivalent third cycle (EQF level 8).
<b>Field of education</b>	The <a href="#">ISCED-F 2013 search tool</a> available at <a href="http://ec.europa.eu/education/international-standard-classification-of-education-isced_en">http://ec.europa.eu/education/international-standard-classification-of-education-isced_en</a> should be used to find the ISCED 2013 detailed field of education and training that is closest to the subject of the degree to be awarded to the student by the Sending Institution.
<b>Erasmus code</b>	A unique identifier that every higher education institution that has been awarded with the Erasmus Charter for Higher Education (ECHE) receives. It is only applicable to higher education institutions located in EU Member States and third countries associated to the programme.

<b>Mobility type: Semester(s)</b>	A study period abroad lasting at least one academic term/trimester or 2 months to 12 months (long-term mobility)
<b>Blended mobility</b>	Any mobility can be carried out as a “blended mobility” by combining the study period abroad with on virtual component at the receiving institution before, during or after the physical mobility to further enhance the learning outcomes.
<b>Short description of a virtual component</b>	An indication of whether the virtual component is an online course(s), embedded in a course(s) selected at the receiving institution, embedded in a blended intensive programme and/or other type of online activity at the receiving institution along with component title(s) or short description of the online activity.
<b>Blended mobility with short term physical mobility</b>	If a long-term physical mobility is not suitable, the student may undertake a study period abroad lasting between 5 days and 30 days and combined with a compulsory virtual component to facilitate an online learning exchange and/or teamwork.
<b>Short-term doctoral mobility</b>	A study period abroad lasting between 5 days and 30 days. An optional virtual component to facilitate an online learning exchange and/or teamwork can be added to further enhance the learning outcomes.

<b>ECTS credits (or equivalent)</b>	In countries where the "ECTS" system is not in place, in particular for institutions located in third countries not associated to the programme not participating in the Bologna process, "ECTS" needs to be replaced in the relevant tables by the name of the equivalent system that is used, and a web link to an explanation to the system should be added.
<b>Automatic recognition</b>	All credits gained abroad– as agreed in the Learning Agreement and confirmed by the Transcript of Records – will be transferred without delay and counted towards the students' degree without any additional work or assessment of the student. This is signalled in the learning agreement by the "Yes" check box. If the "No" check box is selected, a clear justification needs to be provided and an indication on what other type of formal recognition will be applied e.g. registration in the students' <a href="#">diploma supplement</a> or <a href="#">Europass</a> Mobility Document.

The information concerns, for example, the qualifications offered, the learning, teaching and assessment procedures, the level of programmes, the individual educational components and the learning resources. The Course Catalogue should include the names of people to contact, with information about how, when and where to contact them.
<b>Responsible person at the Sending Institution</b>	An academic who has the authority to approve the Learning Agreement, to exceptionally amend it when it is needed, as well as to guarantee full recognition of such programme on behalf of the responsible academic body. The name and email of the Responsible person must be filled in only in case it differs from that of the Contact person mentioned at the top of the document.
